

SB 100 re to Student Assessment Program by Senator Bean

The bill amends s. 1008.22(6), F.S., relating to local assessments. Language is added that prohibits a school district from scheduling more than 10 school days in a school year to administer all required local assessment and statewide, standardized assessments. If there are more than 10 school days needed to administer the assessments, the school district must approve the number of additional days.
