FADSS ANNOUNCES 2019–2020 BOARD OF DIRECTORS

Tallahassee, FL – The Florida Association of District School Superintendents (FADSS) Board of Directors was recently installed during the organization’s Board Summer Planning Meeting. Pasco County Schools Superintendent Kurt Browning will serve as the 2019-2020 president.

“FADSS is more than the state association of public school superintendents – it is the champion of public education and good public policy in order to ensure that every student receives the best possible opportunities for academic success,” states FADSS President Kurt Browning. “I am honored to serve as president and I look forward to working with all stakeholders as we collectively work together to continue to improve academic excellence and equity for all students,” adds Browning.

FADSS is the state association comprised of Florida’s 67 district school superintendents with a primary focus to support superintendents in providing leadership to ensure that every student in Florida is afforded access to a quality education, and that teachers and school district staff have the resources and support to fulfill this charge.

“The individuals that comprise FADSS’ board of directors are highly respected leaders in the education realm and I am privileged to work with such a stellar group of educators,” states FADSS CEO Bill Montford. “They have dedicated their life’s work to ensuring the integrity of Florida’s public education system, and I look forward to their leadership as we continue to face the challenges and changes in public education.”
