Audio Enhancement is offering our **lecture capture software for free!** It is currently available for download from our web site ([www.AudioEnhancement.com/downloads](http://www.AudioEnhancement.com/downloads)).

- This free software allows teacher to do a local recording on their computer, which will capture the audio from the computers sound card or internal microphone.
- Additionally, this software records the screen of the teacher's computer and stitches it with the audio file.
- The teacher can upload this file to Google Classroom or your preferred learning management system (LMS) for students to review.
- This can be utilized in the classroom, or at home and will provide them with a very simple interface to facilitate instruction.

To help schools respond to community questions and concerns during the COVID-19 pandemic, K12 *Insight* is offering its **Let's Talk!** customer experience solution for **free through June 30th**.

Built specifically for use by K-12 school districts, K12 *Insight's* Let's Talk! customer experience platform helps schools engage their communities around critical issues, improve response times, and collaborate internally to streamline departmental efficiencies, while providing access to more consistent and accurate information.

For the next three months, the company will partner directly with Florida school districts to launch COVID-19 specific landing pages, providing community members with a virtual response center to get up-to-date information, ask questions and report concerns during the pandemic.

To learn more about Let's Talk!, contact **Justin Flaitz, VP** of sales at [jflaitz@k12insight.com](mailto:jflaitz@k12insight.com) or 772-486-9533.

## [Rethink Ed is Committed to Supporting Social-Emotional Wellness During School Closures](#)

Fear and anxiety about the outbreak of the coronavirus disease (COVID-19) has led to increased stress levels in both children and adults. School closure, abrupt changes in routine and a heightened sense of uncertainty can also have a detrimental effect on the social, emotional and mental wellbeing of students, educators and school staff.

Rethink Ed will provide districts that are planning closures for preventative health measures with a tool kit that will include webinars, whitepapers, tips and strategies for supporting your entire community during this time of uncertainty. **We will offer free access to our online Social Emotional Learning Suite through the remainder of the school year.** Please contact us for details.
