

Florida Association of District School Superintendents

Ethics Disclosure

I certify that I have viewed all of the Ethics videos provided on the FADSS website which meets my annual requirement for Ethics training pursuant to section 112.3142, Florida Statutes.

I also have read and understand the following disclaimer:

Nothing in this document, training materials, or presentation is designed to render a specific legal opinion or other professional opinion. Due to the rapidly changing nature of the law, information contained in this training program may become outdated. The analysis of any ethics issue is fact based, and therefore a proper legal opinion may only be rendered after careful analysis of specific factual circumstances. As a result, any individual using this document and training materials as a reference should always research original sources of authority and update information to ensure accuracy when dealing with a specific problem or issue, or consult legal counsel to render a specific opinion as to a specific issue. In addition, applicable rules and opinions of the Florida Commission on Ethics and School Board Policies should be reviewed. In no event will the authors or presenters be liable as a result of the use of these materials or participation in the training. This document and training materials are not exhaustive of all issues or cases that may impact an ethics issue.

All information below must be completed to receive training credit
